

RESOLUTION IN SUPPORT OF AMERICA-FIRST ACCOMPLISHMENTS

WHEREAS, President Donald Trump and Vice President Mike Pence have served well and kept their promises to the American people;

WHEREAS, The members of the Republican National Committee (RNC) support the reelection of President Trump and Vice President Pence; and

WHEREAS, The Trump Administration has made significant gains, which have benefited all Americans no matter their ethnicity, race, or beliefs with the promise of hope, opportunity, prosperity, health, and security to improve the lives of millions of people; therefore, be it

RESOLVED, That the members of the RNC hereby recognize and memorialize that President Trump and the American people are making America great by, including but not limited to, the following:

- 1) Supporting American citizens and consistently placing America's interests first;
- 2) Supporting and standing up for life and our traditional American values;
- 3) Supporting and defending the US Constitution through the rule of law;
- 4) Supporting American sovereignty and a strong national defense;
- 5) Supporting national energy independence and self-sufficiency through intellectual development and regulation reform;
- 6) Supporting human rights at home and around the world;
- 7) Supporting and nominating federal judges who defend the United States Constitution;
- 8) Supporting economic policies which create more jobs, fair trade, and greater wealth for Americans;
- 9) Supporting excellence in education and freedom of choice for parents;
- 10) Supporting the repeal of government run healthcare and promoting free enterprise solutions; and
- 11) Supporting federalism and government reform; and

RESOLVED, That these America-first achievements have helped make America great and will make America greater in a second Trump-Pence Administration.
